We will see Giotto's Bell Tower, a 14th-century masterpiece that rises to a height of 292 feet, and the Baptistry of San Giovanni, with East Door which is called the Gates of Paradise. Day 10

Today we depart for Padova, stopping first in Pisa. Pisa is a city in Italy's Tuscany region best known for its iconic Leaning Tower. Already tilting when it was completed in 1372, the 56m white marble cylinder is the bell tower of the Romanesque, striped marble Cathedral that rises next to it in the Piazza dei Miracoli. Also in the piazza is the Baptistry, whose renowned acoustics are demonstrated by amateur singers daily, and the Caposanto Monastery. We then continue to Padova to visit the Basilica of St Anthony. We will see his uncorrupt tongue over 760 years ago, more than 30 years after his death. This scientifically inexplicable phenomenon is what faith calls a miracle, seeing that the relic of the tongue, the instrument used by St Anthony for preaching, is still visible and uncorrupt after many centuries. The relic may be venerated in the Chapel of the Treasury in the Basilica, which is visited each year by millions of pilgrims.- We celebrate Mass and continue to the hotel for dinner and overnight.
