St. James was given the task of spreading Christianity in the distant Hispanic lands and is known as the first pilgrim. Since the discovery of the tomb, numerous miracles have taken place here and every year thousands of faithful gather on July 25 to celebrate the Feast Day. We begin with a visit to the Cathedral of St. James, one of the finest examples of architecture in all of Europe. As pilgrims, we have the opportunity to climb the stairs behind the high altar to visit the crypt where the relics of St. James are preserved, touch the central pillar (Portico de La Gloria), view the 'botafumeiro' and admire the wealth of medieval art inside the Cathedral, before visiting the cloister museum. Enjoy a stroll on your own, through the beautiful streets of Santiago de Compostela, the city of the apostle, full of historical buildings and others. Dinner and overnight in Santiago de Compostela.

Optional Morning Walking Tour ~ This morning we set out to join the walking pilgrims at the Monte del Gozo from which the spires of the Cathedral are first visible.
